Spring

One of the best time of the year is spring. I'm so excited that spring is here because the flowers start to bloom. Let me tell you why I like spring. In spring everything is beautiful the flowers are blooming trees get new leaves the grass is green. I love to smell that sweet fragrance on the flowers. There are many beautiful colors in the spring. The baby birds hatch from beautiful bright colored eggs. Baby rabbits scurry across the lawn. The bees collet necter from flowers. Spring is the perfect wheather for picnics. On easter we go on egg hunts. Finally, I can go outside barefoot in the cool spring grass. Spring is here and I'm going to enjoy it. Spring is in the air!

How to make a Snowman

Have you ever made a snowman? Let me tell you how to make a snowman. First, you need to make the snowmans bottom. It shood be really big. Make it as big as you want it to be. Next, you make a medium sised snowball. It will be his big fat belly. Last, you have to make the snowmans head. For the eyes you can use colls and you can put a carret nose and a mouth and his scarf and arms and his hat. Now you know how to make a great snowman. Lets hope it snows soon so you can make one!

Wear a Helmet

When you ride a bike, you want to have fun.
You should also be safe. If you fall off, you might hurt your head. If you wear a helmet, your head will be protected.

Correct! Now highlight the title, and click the Center button.
